To Whom It May Concern:

Mrs. Paula Won has worked with our students doing her practicum over the past year. During this time I have had numerous opportunities to observe and evaluate her work as well as her potential for growth in the teaching profession.

Mrs. Won has a sincere interest in the welfare of our children and is fair in her dealings with them. She has great control of the classroom and has never needed assistance from the office in matters of discipline. Her students like and respect her and are pleased to be in her class.

Mrs. Won also relates exceptionally well with her peers as she has a pleasant and friendly personality. Her moral character and integrity are above reproach and is reflective in her positive and optimistic attitude of life. Her personal characteristics such as patience, consideration, emotional stability, and good judgment are great assets to any school community.

Based on her success here at Ala Wai School, I am confident that Mrs. Paula Won will be an asset to any school as she is a willing learner.

Sincerely,
